

# Wedding Planning Checklist

*Congratulations on your engagement!*

Stay organized every step of the way to your perfect day.

## 12+ Months Before Wedding

---

- Announce your engagement to family and friends
- Set your wedding date and book your venue
- Determine your budget and who is contributing
- Start your guest list (estimate 100-200 people)
- Hire your wedding planner (if using one)
- Research and book your photographer
- Research and book your videographer
- Choose your wedding party (bridesmaids & groomsmen)
- Start shopping for your wedding dress
- Reserve hotel room blocks for out-of-town guests

*Notes:*

---

---

## 9-11 Months Before Wedding

---

- Book your caterer and finalize menu options
- Book your florist and discuss floral vision
- Book your DJ or band for reception
- Order your wedding dress and schedule fittings
- Start planning your honeymoon
- Create your wedding website
- Register for gifts at your favorite stores
- Order save-the-date cards

*Notes:*

---

---
